

Notice of ICN T2 MCT Change

Please note that as of February 18, due to the expansion of Incheon International Airport Terminal 2, the Minimum Connection Time (MCT) will change as follows.

1. Applicable Flights

KE International - KE International connections (incl. KE MKT flights)

2. Major Change

MCT at ICN T2 : (As-is) 45 minutes → (To-be) 60 minutes

*Implemented sequentially by season

***Passengers with existing reservations before MCT adjustment can travel as originally scheduled, without any change or disruptions.**

(1) Summer Season : **Effective from February 18, 2025**

(Applies to departures from March 30, 2025 (KST))

* Exception : The following key connecting routes will be subject to an exceptional MCT of 55 minutes during the summer season only.
